Heal me. I'm heartsick. I'm hungry and I'm broken.  
I'm haunted, and weeping the blood of heaven flowing  
like a river tonight. Tears I can't fight on my own.  
I'm a haunted heathen. I'm hung and barely breathing.  
The drowning ocean. Snuff the sun in motion.  
There's a pill on my tongue.  
A shot from a gun, the bottle's bottom,  
I'm lonely as a star

(chorus)

Heal me. I'm heartsick.  
Hungry thought I could survive on you.  
Hear my heartsick hungry cry.  
I'm heartsick.

Father, free me. Mama warm and feed me  
A child of fury. Lost his way but don't worry I won't stop  
'til the dawn.  
I've been too long on the run.  
I grow strong, and restless as a storm

(chorus)

Heal me. I'm heartsick.  
Hungry thought I could survive on you.  
Hear my heartsick hungry cry.  
I'm heartsick.

Heal me. I'm heartsick.  
I'm hungry and I'm broken.  
I'm haunted, and weeping.  
The blood of heaven flowing  
like a river tonight.  
Tears I can't fight on my own.

(chorus x2)
