(Verse)

Gave me breath and I howled at the moon
Hear you speak in my dreams
Whisper truth

(Bridge)

Lead me to You
Please Lord

(Chorus)

No one can make me feel
The way You make me feel
I was against the world
But there ain't no one else
But You and me here
Thought I was by myself
Higher self

(Verse)

I was running on fours like a fool
Now I'm flying like You do
To You

(Bridge)

Lead me to You
I Need love

(Chorus x2)

No one can make me feel
The way You make me feel
I was against the world
But there ain't no one else
But You and me here
Thought I was by myself
Higher self
