Oh Oh.. I'm wondering why I'm wasting my Time,
It's time to let it all go, & let my true colors shine.

Soy tu peor pesadilla.
Soy tu sueño más dulce.
Recuerdo besar diciembre.

Aprecio los recuerdos,
Los mejores momentos del todo.
Yo no quiero recordar
El viejo mundo.

I know that my heart is strong,
& I keep the highest integrity.
So stop saying I'm doing wrong,
Quit the lies & let me be.

Your heart was feigning remorse
When you had to tell me the truth
The lies, the cheating, the drugs were defeating,
Who gave a damn if you loved me too?

I've got me, I've got me & my integrity

Everything you say is lie,
Let me break it down!
Everything you said to make me cry,
You know it broke me down!
Everything you say is a lie,
Let me break it down!
This is why I never said goodbye!

I know that my heart is strong,
& I keep the highest integrity.
So stop saying I'm doing wrong,
Quit the lies & let me be.

Soy tu peor pesadilla.
Soy tu sueño más dulce.
Recuerdo besar diciembre.

Aprecio los recuerdos,

Los mejores momentos del todo.
Yo no quiero recordar
El viejo mundo.

Your heart was feigning remorse
When you had to tell me the truth
The lies, the cheating, the drugs were defeating,
Who gave a damn if you loved me too?

Oh Oh.. I'm wondering why I'm wasting my Time,
It's time to let it all go, & let my true colors shine.
