Well, he walks in the room, says  
"You're looking so lovely, dear  
It's been a long time  
What are you doing here  
I don't think I've ever seen you looking so  
well"

So she says  
"Thanks for the compliment.  
Tell me old friend-  
Tell me, where have you been.  
I don't think I've ever been so happy to see  
Another face before"

"Oh, I said  
I'd never walk that road again  
Oh, I believe  
Never just came and went  
Oh, I want this to be  
Fairytale happenstance"

"Do you believe  
That the past should remain the past  
And do you agree  
In living on with our regrets  
Or do you think that some things are just meant to  
be"

So she says,  
"Please don't you get me wrong  
But I don't believe  
In fairytales after all  
But if you're asking for one dance, I think  
I'll grant you one last request"

"Oh, I said  
I'd never walk that road again  
Oh, I believe  
Never just came and went  
Oh, I want this to be  
Fairytale happenstance"

He says, "Can you hear me now  
Do you agree  
There's something between us  
And do you believe  
In being with the one you love  
Or do you think  
Enough is enough"  
She says, "Come a little closer over here  
And I'll tell how I feel about it

I remember days of  
Laughing and innocence  
But what I believe in  
Is our current circumstance  
But if you want this  
To become one more chance  
Well, this ain't some kind of  
Fairytale happenstance"

So she says, "Dear friend  
Please don't you get me wrong  
But I don't believe in  
Fairytale after all"
