"Go!"

The night
Starts to show
Get dressed
Time to Go
Catch up
With the girls
It's time
Stop!

Gotta get my high heels on
Pass some lipstick play my song
This is taking us too long
Go

Gotta go, go, go
The night's a child
Better know, know, know
We're going wild
Time to show, show, show
What we can do
You don't know, know, know, know the truth
Gotta go ohh [x4]

Music
Playing loud
Dancing
Always proud
Boy's stair
Hypnotized
Romance
Stop!

They come close and we say no
Without us it's just a blow
This is our own private show
Go!

Gotta go, go, go
The night's a child
Better know, know, know
We're going wild
Time to show, show, show

What we can do
You don't know, know, know, know, know the truth
Gotta go ohh [x4]

You should know (you should know)
You better come with us if you want to (If you want to)
If you want to
Go!

Gotta go, go, go
The night's a child
Better know, know, know
We're going wild
Time to show, show, show
What we can do
You don't know, know, know, know, know the truth
Gotta go ohh [4x]

Heey!
