I dropped my obligations,
Turned the other way.
Gotta™ move on with my life,
Write the next page.
I™m thinkin™ about her house,
Where I could™ ve stayed,
And why I™m sitting home alone,
On a Saturday.

This is a chance for me,
To make something,
Good of myself.
The harsh reality sets in,
When I™m alone again.

Checkin™ the news stations,
To see what™s up today.
Another tragedy strikes,
A scandalous Celebrity.
I just quit all my jobs,
I™m wondering how,
I™ll get paid.
Ramen noodles come in,
Packs of six,
Damn I™ve got it made.

This is a chance for me,
To make something,
Good of myself.
The harsh reality sets in,
When I™m alone again.
