"Counting All The Blessings"

Visit "[Counting All The Blessings](#)" on MotoLyrics.com

I'm so close to living the dream,
Can't believe I've made it this far.
They tell me I'm wasting my time,
Wishing upon my lucky star.
I've never been so superstitious.
I don't know where the answers are.
I'm placing my faith into miracles,
Things have never felt stranger.

I can only hope that things,
In my life,
Will turn out close to plan.
I'm walking on a tight rope,
That's as thin as string,
With nowhere safe to land.
Oh I've got to make it to the other side.
I could really use a hand.
But for now I'm counting all the blessings,
That I've been given.

Waiting for a sign to show me,
Which way leads out of the dark.
I've been stumblin' for far too long,
I could really use a spark.
Walking forward without knowing,
Exactly where to go,
I feel angels watching over me,
And my faith will guide me home.

I can only hope that things,
In my life,
Will turn out close to plan.
I'm walking on a tight rope,
That's as thin as string,
With nowhere safe to land.
Oh I've got to make it to the other side.
I could really use a hand.
But for now I'm counting all the blessings,
That I've been given.

Oh, give me a little.
Hope, give me a little.

I'm hoping for a little help,
I can't do this by myself,
Will you help me cross the line?
Running with me side by side,
We can make it if we try,
I need you to help me shine!

I can only hope that things,
In my life,
Will turn out close to plan.
I'm walking on a tight rope,
That's as thin as string,
With nowhere safe to land.
Oh we've got to make it to the other side.
I could really use a hand.
But for now I'm counting all the blessings,
That we've been given.
