She writes my name,
with a heart in her notebook,
Then tears out the page,
Hoping nobody looked.
It's just a shame,
She has to hide it this way,
Sings along to my songs,
Almost every day.

But she hides away,
How she really feels about me,
Yeah, she shys away,
Tries to cover it up,
And I try to say "hey",
But she ducks and goes around me,
Away into her phone,
Won't you ever look up?

I saw love in your eyes,
Won't you tear down your walls,
And let's give it a try,
I say love, love, love in your eyes,
Hold my hand as we fall,
I saw love in your eyes.

Woah oh oh oh oh, woah oh oh oh oh.

I'm not the same,
Since the day that we looked.
The earth itself shook,
When we locked in that stare.
If we're playing games,
Then I won't play by the book,
I'm breaking the rules,
Cause I really don't care.

But she hides away,
How she really feels about me,
Yeah, she shys away,
Tries to cover it up,
And I try to say "hey",
But she ducks and goes around me,

Away into her phone,
Won't you ever look up?

I saw love in your eyes,
Won't you tear down your walls,
And let's give it a try,
I say love, love, love in your eyes,
Hold my hand as we fall,
I saw love in your eyes.
