You can come over,
We'll leave the television on,
Long after the movie is done.
Let's spend more time together,
I know we don't have long.
Let's pretend we have forever.

I lean in for the kiss,
I feel so nervous,
Our lips brush,
Our eyelids are shut,
I'm lost in the moment now.
Oh how beautiful you are.

We can fall asleep,
To the sound of the static.
Spend the night,
Wrapped up in these blankets.
Lean on me,
And dream peacefully,
The only sound we'll hear is the drum of our heart
beats.

I'm really hopin',
This night is never gonna end,
Next time we'll begin again.
Cause girl when we're together,
There's nothing that compares,
Let's pretend we have forever.

I lean in for the kiss,
I feel so nervous,
Our lips brush,
Our eyelids are shut,
I'm lost in the moment now.
Oh how beautiful you are.

We can fall asleep,
To the sound of the static.
Spend the night,
Wrapped up in these blankets.
Lean on me,

And dream peacefully,
The only sound weâ€™ll hear is the drum of our heart
beats.
