She's so hot,
And she's so cool.
The way she walks into the room,
Makes all the boys drool.
But she's more than just another pretty face.

The girl is like whoa oh oh, oh oh, oh oh, oh.
She makes me lose control.
The girl is like whoa oh oh, oh oh, oh oh, oh.
You know I want her so.
She's the girl of my dreams,
She's one in a billion,
I feel it in my soul,
The girl is like whoa.

Someone so amazing,
She deserves the best.
I figured I'd just tell her,
And get it off my chest.
I think you're so great,
In every single way.
Even the flaws you hate,
Put a smile on my face.

The girl is like whoa oh oh, oh oh, oh oh, oh.
She makes me lose control.
The girl is like whoa oh oh, oh oh, oh oh, oh.
You know I want her so.
She's the girl of my dreams,
She's one in a billion,
I feel it in my soul,
The girl is like whoa.
