(Verse)

Where does my heart go  
When I have a choice to make  
Who do I follow  
When my character's at stake

(Verse)

Will I run  
From you or into Your arms  
Will I fight  
To be right where You are  
This life is pulling me  
A million different ways

(Chorus)

This is my song that I sing forever  
You are my home You are what I treasure  
I want You to be where my heart goes  
And if it all breaks, if it goes to pieces  
You are the one that I will believe in  
I know you won't ever let me go  
I want you to be where my heart goes

(Verse)

There's no denying  
What this world will promise me  
But I have decided  
You are the only thing I need  
So take everything, take everything  
Take everything!

(Chorus)

This is my song that I sing forever  
You are my home You are what I treasure  
I want You to be where my heart goes  
And if it all breaks, if it goes to pieces  
You are the one that I will believe in  
I know you won't ever let me go  
I want you to be where my heart

(Bridge)

Runs to, cleans to Jesus

I so need you  
I want You to be where my heart goes

(Chorus)

This is my song that I sing forever  
You are my home You are what I treasure  
I want You to be where my heart goes  
And if it all breaks, if it goes to pieces  
You are the one that I will believe in  
I know you won't ever let me go  
I want you to be where my heart goes
