Verse1

I know I don't have all the answers
And I can see it's quite clear
That you hold inside everything that you've done
Because you don't know what you mean to me

Verse 2

I know I don't have all the questions
All of the ones you should ask
Like why do we do all the things that we do
And don't you know what you mean to me?

Pre Chorus

Cuz we all make mistakes in our lives
On this road that we travel upon
Don't you know
If you fall along the way

Chorus1

If you make a mistake you can crawl in my arms
If you made a mistake you can crawl in my arms
Oh no no
Or just walk away

Verse 3

I know I don't have all the answers
And we can see it's quite clear
After all that's been said
and all that's been done
you should know what you mean to me

Pre Chorus 2

Cuz we all make mistakes in our lives
On this road that we travel down
Don't you know
If you fall along the way

Chorus 2

If you make a mistake you can crawl in my arms
If you made a mistake you can crawl in my arms
Oh no no

Bridge

All of this time you should know that it's me
And everything that I said yes I mean
I'll be here now like I've been there before
It's all been waiting it's outside your door;
So if you make a mistake you can crawl in my arms

Chorus 3

If you make a mistake you can crawl in my arms
If you made a mistake you can crawl in my arms
Oh no no
Or just walk away
Just walk away
Or you can crawl in my arms
Just walk away
Just walk away or you can crawl in my arms

Crawl in my arms
Crawl in my arms
Crawl in my arms, in my arms
All in my arms
