When we met, I didn't know about those things that you
do
But I know that I'd better start to change my mind
Because you leave me behind

[Chorus]

And all these things I hear of you have got to be a lie
Because I know that you're too sweet to sleep with all
those guys

Well I don't know if I'm going home tonight
It'll probably just start a fight
And I don't know where I'm gonna sleep tonight
So I'll just stick around and talk to you if you like

[Chorus]

But I don't have that much to say and less to say to you
Anyway I look at it I lose

Well we don't like the card we're dealt so we fold
And we've got problems with authority we're told
But let me tell you so I can say that you were told
The day that you walked by, I put my life on hold

[Chorus]
