Verse 1

Maybe I'm something
Maybe I'm nothing alright
I don't want to be
what you think I should be tonight

Pre Chorus

Well I'm coming around today
cuz I feel like there's something more
but you know it's here, you know it's here
I'm just coming around to say, it's alright

Verse 2

make it something
or make it nothing alright
get a bit further but you're already behind

Pre

now I'm coming around today
cuz I feel like there's something more
and you know it's here, you know it's here
I'm just coming around to say,

it's alright
it's alright
it's alright
it's alright ya it's alright

Verse 3

It's a forgone conclusion I know what I'll be in
this life
Cuz I never fake it
if I don't make it in your eyes

it's alright
it's alright
it's alright
it's alright ya it's alright
it's alright
it's alright
it's alright
it's alright

itâ€™s alright
itâ€™s all itâ€™s alright
