All mine, all mine, all mine, all mine  
All mine, all mine, all mine, all mine  
All mine, all mine, all mine, all mine  
All mine, you're all mine

'cus we are taking it slow  
Taking it so nobody knows  
What is going on  
We moved fast now we slow down  
And it won't fall apart  
'cus we're being smart  
We know  
To move slow

You know that you and I  
Don't follow guidelines  
Don't dare apologize  
'cus this is love we just can't hide  
it's love we just can't hide  
it's love we just can't hide  
All mine, you're all mine

We will be alright (we will be alright)  
If we take our time (if we take our time)

We'll take it slow  
We'll do what we know  
You're mine, you're all mine

'cus we are taking it slow  
Taking it so nobody knows  
What is going on  
We moved fast now we slow down  
And it won't fall apart  
'cus we're being smart  
We know  
To move slow

You know that you and I  
Don't follow guidelines  
Don't dare apologize  
'cus this is love we just can't hide

it's love we just can't hide  
it's love we just can't hide  
All mine, you're all mine

We will be alright (we will be alright)  
If we take our time (if we take our time)  
We will be alright (we will be alright)  
If we take our time (if we take our time)  
We'll take it slow  
We'll do what we know  
You're mine, you're all mine

(you know that you and I) I know you and I  
(don't follow guidelines) We won't apologize  
(you know that you and I) I know you and I  
(don't dare apologize) We won't apologize  
We'll take it slow  
We'll do what we know  
You're mine
