Every day I think of you,
Won't you be a friend of mine?
All I do is think of you,
Caramia,

And it blows my mind to find,
You're still out there,
All I do is think of you,
Caramia
And it's all too much for me to take
I guess it's all too much for me to take

Ever since you came around
I feel so fine
All I want is you,
Caramia
And it's all too much for me to take
I guess it's all too much for me to take

I simply can not find the truth for myself
Suddenly I found the truth for myself
So come, come,
Turn me on,
So come, come,
Turn me on,
So come, come,
Turn me on

Every day I think of you,
Won't you be a friend of mine?
All I want is you,
Caramia

I simply can not find the truth for myself
Simply can not live my life on myself
So come, come,
Turn me on,
Caramia,
You turn me on
Caramia,
You turn me on ooooooooooh, Caramia,

Ooh,oooh,ooooooooooh
Ooh,oooh,ooooooooooh
Caramia,
You turn me on
