You don't need to run  
You don't need to hide  
You can't escape my desire  
So why hesitate  
Your mine anyway  
Surrender ãfÂçâ, ¬" my heartãfÂ,'s on fire

Close to you  
I belong  
Close to you  
And I belong  
And I belong even close than closer  
You don't need to waste your time searching  
You've been waiting for a girl like me  
I'm the one who's gonna ease your yearning  
There's no doubt about it ãfÂçâ, ¬" it's me

Better stop this waste of time  
You'll be mine  
I'm the only one for you

You don't need to run  
You don't need to hide  
You can't escape my desire  
So why hesitate ?  
You're mine anyway  
Surrender ãfÂçâ, ¬" my heartãfÂ,'s on fire

Close to you  
I belong  
Close to you  
And I belong even close than closer

You should really get to know me better  
You will never find a girl like me  
We are meant to spend this life together  
Might sound crazy but youãfÂ,'ll see

I will creep into your dreams  
When you sleep  
And I'm gonna let you know

You don't need to run  
You don't need to hide  
You can't escape my desire  
So why hesitate ?  
You're mine anyway  
Surrender ãfÂçâ, ñ" my heartãfÂ,'s on fire

Close to you  
I belong  
Close to you  
And I belong even close than closer

You  
Don't need to run don't need to hide  
You  
You belong to me

You don't need to run  
You don't need to hide  
You can't escape my desire  
So why hesitate ?  
You're mine anyway  
Surrender ãfÂçâ, ñ" my heartãfÂ,'s on fire

Close to you  
I belong  
Close to you  
And I belong  
You belong  
Close to you  
I belong  
Close to you  
And I belong,  
You belong to me
