Don't look back,
Figure the summer days to come
Cause I'm in love,
When I see the smile on your face.
All this time
I used to walk this road alone,
So keep it up,
And then we'll fly away for a day.

[Chorus:]

Don't look back, tell me you need me!
Don't look back, baby it's easy!
Don't look back,
I'm right in front of you!
Don't look back,
Love is emotion!
Don't look back,
Call it devotion!
Don't look back,
I'mma make you mine!
Don't look back!

Don't you stop,
Keep on going through the night
And turn it up,
Let me hear the sound of our life.
Stay right here,
Tomorrow night will wait for you
Here with me
And before we dance we'll be gone.

[Chorus:]

Don't look back, tell me you need me!
Don't look back, baby it's easy!
Don't look back,
I'm right in front of you!
Don't look back,
Love is emotion!
Don't look back,
Call it devotion!
Don't look back,

I'mma make you mine!
Don't look back!
I will make you mine!
I'll make you mine!

Don't look back!
I will make you mine!

Don't look back, tell me you need me!
Don't look back, baby it's easy!
Don't look back,
I'm right in front of you!
Don't look back,
Love is emotion!
Don't look back,
Call it devotion!
Don't look back,
I'mma make you mine!
So don't look back!
