## Verse 1

Dark is the night, frightful silence around

Only the moonlight shining, there's not a sound  
I'm not afraid 'cause you're here by my side

You'll be my shelter and hold me so tight  
Bridge

I have every trust in you

There is nothing I won't do  
Refrain

Oh, take me on a nightflight, nightflight, nightflight

The others fall asleep

and we fly away  
Oh, take me on a nightflight, nightflight, nightflight  
We fly through the night

'Til we meet the day

## Verse 2

Up and away, oh baby, right in the night

Never been flying so high as a kite  
This night I'm havin' the time of my life

It's so exciting, we're higher than high  
Bridge

I won't need no sleep tonight

Never stop it feels so right
