Can't sleep tonight

I'm still waitin'

For a wonder soon to happen

And I pray
Is there anyone out there ?

I need consolation

Why can't I still be with you
I thought it was paradise

When I found you

Paradise ãfÂçâ,¬"

Have I been wrong ?

I thought it was paradise

But I've been mistaken

You left me here all alone
Can't see the light
And I'm losin'

Any hope, there's nothing that I haven't tried
Is there anyone out there

To relight the fire ?

Why don't you give me a sign ?
I thought it was paradise

When I found you

Paradise ãfÂçâ,¬"

Have I been wrong ?

I thought it was paradise

But I've been mistaken

You left me here all alone
