Well someone told me yesterday That when you throw your love away You act as if you just don't care You look as if you're going somewhere But I just can't convince myself I couldn't live with no one else And I can only play that part And sit and nurse my broken heart So lonely I feel so lonely (i feel) So lonely (i feel) So lonely So lonely I feel so lonely (i feel) So lonely (i feel) So lonely (i feel) So lonely

Now no one's knocked upon my door For a thousand years or more All made up and nowhere to go Welcome to this one man show Just take a seat they're always free No surprise no mystery In this theatre that I call my soul I always play the starring role

So lonely I feel so lonely (i feel) So lonely

(i feel) So lonely So lonely I feel so lonely So lonely (i feel) So lonely (i feel) So lonely So lonely So lonely So lonely So lonely So lonely I feel so lonely So lonely So lonely So lonely I feel so lonely So lonely So lonely So lonely So lonely So lonely So lonely
