Lover lover talk to me, we've both been here before
Takes a lot of time to see you need less to become
more
But not this time

Lover lover come to me and don't say it ain't so
That you don't know how, you don't know when
There's nowhere left to go
And all this time, evening cries
With no words, no words

Oh no, seems the best is yet to come
Oh no, seems the best is yet to come
I'm screamin' it out boy,
Screamin' it out
Oh no, seems the best is yet to come

So lover please don't lose yourself
Don't let your promise die
'cause you don't know how and you don't know when
There's nowhere left to hide
Lover lover talk to me we've both been here before
Takes a lot of time to see you need less to become
more
And all this time, evening cries, with no words, no
words

Oh no, seems the best is yet to come
Oh no, seems the best is yet to come
I'm screamin' it out boy, screamin' it out
Oh no, seems the best is yet to come

And if you need a good reason, I'll give you one
Oh no, seems the best is yet to come
The best is yet to come, the best is yet to come
The best is yet to come, so lover lover, talk to me
The best is yet to come, the best is yet to come
Screamin' it out boy, screamin' it out,
Oh lord, seems the best is yet to come
