The world was on fire, no one could save me but you
Strange what desire will make foolish people do
I never dreamed that I'd meet somebody like you
And I never dreamed that I'd lose somebody like you

No I don't want to fall in love
No I don't want to fall in love
With you

No I don't wanna fall in love
This world is only gonna break your heart
No I don't want to fall in love
This world is only gonna break your heart
With you, with you, with you
With you, with you, with you

What a wicked game to play
To make me feel this way
What a wicked thing to do
To let me dream of you
What a wicked thing to say
You never felt this way
What a wicked thing to do
To make me dream of you

And I don't wanna fall in love
This world is only gonna break your heart
No I don't want to fall in love
This world is only gonna break your heart
With you, with you, with you
With you, with you, with you

World was on fire, no one could save me but you
It's strange what desire will make foolish people do
I never dreamed that I'd love somebody like you
I never dreamed that I'd lose somebody like you

No I don't wanna fall in love
This world is only gonna break your heart
No I don't wanna fall in love
This world is only gonna break your heart
With you

This world is only gonna break your heart
With you
This world is only gonna break your heart
No I...
This world is only gonna break your heart
This world is only gonna break your heart
Nobody loves no one
