I jump up out my bed grab my clothes
And I throw on my coat out the door
And I?m, today I?m gonna get over you, you, you
Yeah, and I hop in the car
Push the button on the automatic start
Right on the seat I see a scarf I gave to you
Oh, memories start comin? back
No room for reverse I can?t back back
I?m sittin? in the car but I can?t back back
So, I?m slumped over the wheel of the car
And all I can think of is a broken heart
And all I can think of is why we?re apart

We went round for round
?Til we knocked love out
We were laying in the ring not making a sound
And if that?s a metaphor of you and I
Why is it so hard to say goodbye
I can?t wait to hate you
Oh, the things you put me through
I wanna move on
I can?t wait to hate you
Oh, the days you left my heart all alone
I can?t wait to hate you
This is all crazy
And I can?t come to grips with the fact that you?re
gone
I can?t wait to hate you
Ooooo Oh

Jump up out my bed grab my clothes
And I throw on my coat out the door
And I?m, today I?m gonna get over you
Press the button on the automatic start
Right on the seat I see a scarf I gave to you
Oh, memories start comin? back
No room for reverse I can?t back back
I?m sittin? in the car but I can?t back back
So, I?m slumped over the wheel of the car
And all I can think of is a broken heart
And all I can think of is why we?re apart

We went round for round
?Til we knocked love out
We were laying in the ring not making a sound
And if that?s a metaphor of you and I
Why is it so hard to say goodbye
I can?t wait to hate you
Oh, the things you put me through
I wanna move on
I can?t wait to hate you
Oh, the days you left my heart all alone
I can?t wait to hate you
This is all crazy and I can?t come to grips
with the fact that you?re gone
I can?t wait to hate you
