[Verse 1]

Summer's mine.

I swear I said it about a hundred times, I'ma need it back.

Wish you would come and find me.

Just to tell me that I haven't changed, girl I needed that from you.

I'm getting money just taking care of me girl,

I'm getting money just taking care of me right now.

I'm getting money just taking care of me girl,

'Cause you'll be tired of taking care of me right now.

Oh woah, oh woah, oh woah.

[Chorus]

But the good ones go,

The good ones go, if you wait too long.

The good ones go,

The good ones go, if you wait too long.

So you should go.

You should go, before you stay too long.

[Verse 2]

Don't you go getting married, don't you go get engaged.

I know you're getting older, don't have no time to waste.

I shouldn't be much longer, but you shouldn't have to wait.

Can't lose you, can't help it.

I'm so sorry I'm so selfish.

I've been chilling in the city where the money's thrown high and the girls get down.

Still wishing I was with you right there, but girl, it's all changed now.

But when it's all done baby I'm yours if you're still around.

But she knows, she knows, she knows.

Oh woah, oh woah, oh woah.

[Chorus]
