Cups of that I rosÃ© girls on my old phone.  
I should call one and go home  
Iâ€™ve been in this club too long  
The woman that I would try ,  
Is happy with a good guy .  
But Iâ€™ve been drinking so much  
Iâ€™ma call her anyway and say â€¦  
F\*\*k that new guy that you love so bad  
I know you still think about the times we had  
I say f\*\*k that new guy that you think you found  
And since you picked up I know heâ€™s not around  
Oh no..Iâ€™m just saying you could do better  
Tell me have you heard that lately  
Iâ€™m just sayinâ€™ you could do better  
And Iâ€™ll start hatin only if you make me  
,cups of the XO  
All my people been here  
I see all of her friends here  
Guess she donâ€™t have the time to kick it no more  
Fights in the morning  
What you doing thatâ€™s so important?  
Iâ€™ve been drinking so much  
So Iâ€™ma call you anyway and say ..  
F\*\*k that new guy that you love so bad  
I know you still think about the times we had  
I say f\*\*k that new guy that you think you found  
And since you picked up I know heâ€™s not around  
Oh ooh..Iâ€™m just saying you could do better  
Oh ooh ..Tell me have you heard that lately  
Uh .. Iâ€™m just sayinâ€™ you could do better  
And Iâ€™ll start hatin only if you make me
