Stranded stranded stranded I'm so stranded
Oh oh baby oh

It's over and done..
And now I'm sitting here,
thinking that I made the mistake of my life babe
And after having the worse fight, we ever had..
I said I wanna move on baby
For so many days you were only tryin' to love me,
I was so immature baby
So many girls, I was getting attention
But I'm grown now, and all this spending time that I
didn't wanna do is cos I didn't wanna settle down..
But my soul reach,
a heart that I was killing that's not all I could think
about..
Now, I was wrong baby.. when I have the chance baby,
And I ran away the closest thing to me.. Girl, I'm
stranded

Girl, I'm stranded
All that we had is gone and I'm sad baby
What am I gone do now..
Girl, I'm stranded
All that we had is gone and I'm sad baby
What am I gone do now.. Listen

None of those, calls that I would receive
when you use to plead for me asking who was she
Have stopped coming in, but girl I don't even want
Somebody touching me
when the chemistry ain't even you and me
Cos sex with no emotion ain't nothin' to talk about
I'm at the point that I'm looking for riddance baby..
Cos mama use to tell me when a good thing comes
around
Boy, you better seize the moment baby.. cos nothing
Is promised tomorrow.. Girl, I'm stranded

Girl, I'm stranded
All that we had is gone and I'm sad baby

What am I gone do now..
Girl, I'm stranded
All that we had is gone and I'm sad baby
What am I gone do now..
