"Hello",
("Hello Loretta")

Darling, I knew it was you
("Loretta, there's something I just got to tell you")
Oh, please, tell me what to do
("Yeah, I don't really know how to say this but I wanna
tell you that I...")
You gave me the will to go on and on
as soon as I picked up the phone
("No, no you don't understand Loretta, I'm trying to tell
you that I...")

The talk is around that we're through
("Yeah, I know. I've heard it too".)
Oh darling, tell me what to do
("But I just did. That's what I'm trying to tell you. I
wanna tell you that I...")
I knew you'd tell me they were wrong
as soon as I picked up the phone
("Oh but it is true. They are not wrong")

Oh no, ("I'm sorry Loretta") Oh no
I can't believe that it's true
("I'm sorry Loretta. I'm really really sorry")
Oh no, Oh no
I can't believe that we're through
("I know you know, that I.., I never thought it would
come to this. I...")

You tell me it's over and done
("I really thought that I loved you, and you know that".)
You say that you've had all your fun
(" But you just got to believe me. I never meant to hurt
you".)
But I can't believe you'll be gone
("This is the hardest thing...I ever had to do...and it
hurts me too".)
as soon as I hang up the phone
("Yeah; I'll be gone".)
as soon as I hang up the phone
(Good-bye Loretta".)
