Tell Me Are You Wondering
Do You Think You™ ve Gone Mad
Are You Speaking Another Language That No One
Understands
You Talk To The Ocean And You Listen To The Birds
As Everyone Around You Wonders What You Heard

You™ re Not Broken You™ re Too Beautiful
To Fit Inside The Box Of How To Be
You May Seem Blurry To All The Rest
But That™ s ~cause You See Colors No One Sees
You™ re A Kaleidoscope To Me

You Run And Chase The Sunrise
And You Wish On Falling Stars
You Paint The Sky With Your Eyes
And Hold The Moon In Your Arms

You™ re Not Broken You™ re Too Beautiful
To Fit Inside The Box Of How To Be
You May Seem Blurry To All The Rest
But That™ s ~cause You See Colors No One Sees
You™ re A Kaleidoscope To Me...

You™ re A Kaleidoscope To Me...

To Me...
