I'm Driving Too Slow Or You're Going Too Fast
I'm Afraid I Can't Catch Up With You,
I'm On My Hands And Knees And I'm Begging
For Food
Picking Up The Crumbs That Are Left Of You,
As You Set Out To See And You're Sailing Away
Into The Silence Of Things You Won't Say...

You're My World But I'm On The Moon
Trying To Find A Way To Get Back To You

You're The Butterfly I'm The Prisoner
You're The Screamer, I Just Whisper,
I'm On Fire But All You See Is Ash
Don't You Remember Our Passionate Past,
You Still Take My Breath Away But Now I Can't
Breathe
'cause You Don't, You Won't Share It With
Me...

You're My World But I'm On The Moon
Trying To Find A Way To Get Back To You

I'm Beside Myself You're Inside You

Our Rainbow Is Turning To Black And Blue,
Even Your Cheap Cigars And Your Red Wine
Can't Hide The Darkness Beneath The Sunshine,
And You're Poisoning Me With Your Sweet Cologne
You Are Everywhere And I'm All Alone

You're My World But I'm On The Moon
Trying To Find A Way To Get Back To You
You're My World But I'm On The Moon
Trying To Find A Way To Get Back To You

[instrumental]

You're My World But I'm On The Moon
Trying To Find A Way To Get Back To You
You're My World But I'm On The Moon
Trying To Find A Way To Get Back To You

Youâ€™re My... World...
Youâ€™re My... World...
Iâ€™m On The Moon...
Iâ€™m On The Moon...
Iâ€™m On The Moon....
Iâ€™m On The Moon.....
