Come In, Out From The Cold
Take Off Your Coat, Brush Off The Snow
Leave All Your Bags Outside The Door
You Wonâ€™t Need Them With Me Anymore

Skin, I Want To Get Down To Your Skin
Donâ€™t Stop Me From Coming In
Take Off Your Skin

Slip Out From Your Shell, Abandon Your Name
Peel Off Your Layers, Donâ€™t Be Afraid
Come And Lie Down, Breathe In My Breath
I Want To Drown, Drown In Your Flesh

Skin, Thereâ€™s Nothing Between Us But
Skin, Donâ€™t Stop Me From Coming In
Take Off Your Skin

I Want To Get Deeper, I Need Even More
I Want To Dance With Your Soul, Deep In Your Core
I Try To Swim Through Your Eyes And Crawl Through
Your Kiss
But I Canâ€™t Seem To Reach You Your Body Resists

Skin, Thereâ€™s Nothing Between Us But
Skin, Stopping Me From Coming In
Take Off Your Skin

I Wish I Could Meet You Some Place Other Than Here
Where The World Would Fade And Weâ€™d Both
Disappear
