It's funny how I found  
I'm still king of the hill  
Where nobody dares to wander

I opened up my heart  
To lighten up the load  
And getting out from under

And I don't know what it is that they're saying  
So I don't know if it's true

Bangor weighs down on you

I opened up my eyes  
Straightened up the words  
But nobody seems to wonder

And I don't know what it is that is stinging  
and it might as well be true

Bangor weighs down on you

Way down
