what you've done to me  
is not for the world to see  
does bring back the anger,  
it's crawling deep inside of me  
'cause you're all I have worth waiting for,  
left alone once more  
what do you intend to do now?

when you dance for  
when you dance through the night,  
tonight  
you know it's not right

you're not who you are,  
you're losing it by far  
heaven knows I do care,  
'cause you're all I have been living for  
now it don't seem so sure,  
what do I intend to do now?  
what do I intend to do now?  
Do now do now

when you dance for,  
when you dance through the night,  
tonight  
you know it's not right  
when you dance for,  
when you dance through the night,  
tonight  
you know it's not right
