Finally made it, to the weekend,
I wanna do things my way,
If you like it, then I love it,
I wanna dance tonight away,

If ya feel it, turn it up,
Everybody, put your hands up,
If your body can't get enough,
We'll party tonight, all night, tonight's the night, yeah
yeah,

So we go, think it's time to hit the floor,
If you don't mind (don't mind),
Everybody hit the floor,
Watch me do my thing,
Watch me do my thing,
If you don't don't mind (don't mind),
Everybody hit the floor, watch me do my thing,

Everybody do your thang,
And let the beat bang,
Everybody do your thang,
And let the beat bang,

Feel the music, of the beat play,
Got the spotlights on me,
Pay attention, I can show you,
How to do things my way,

If ya feel it, turn it up,
Everybody, put your hands up,
If your body can't get enough,
We'll party tonight, all night, tonight's the night, yeah
yeah,

So we go, think it's time to hit the floor,
If you don't mind (don't mind),
Everybody hit the floor,
Watch me do my thing,
Watch me do my thing,
If you don't don't mind (don't mind),
Everybody hit the floor, watch me do my thing,

Everybody do your thang,
And let the beat bang,
Everybody do your thang,
And let the beat bang,

Everybody do your thang,
And let the beat bang,
Everybody do your thang,
And let the beat bang,

Yeah, girl, so we go, think it's time to hit the floor,
If you don't mind (don't mind),
Everybody hit the floor,
Watch me do my thing,
Watch me do my thing,
If you don't don't mind (don't mind),
Everybody hit the floor, watch me do my thing,

Everybody do your thang,
And let the beat bang,
Everybody do your thang,
And let the beat bang...
