Now I go on  
A wandering one  
Around the trees and over the leaves  
Like the breeze from the sea  
Toward the sun on the run.

While you shine on  
On and on  
Like the melody in this song  
On and on, as the jewel  
Within my heart that youâ€™ve become.

As I go on  
On and on  
Like the sea and shining sun  
That lights the dawn and dims the dusk  
Until the moon will rise for us.

And in the cold  
Of the night  
We look to heaven for light  
Among the stars where our hearts  
Will one day be and be as one.
