My heart is yours, it's yours for the taking.  
Hush baby just fall back to sleep.  
I'm breaking in, breaking into your dreams.  
Gonna make you fall back in love with me.  
Back in love with me...

And your dreams are wrestling.  
Don't you know baby that I'm the king.  
Don't challenge me darling,  
Cause I'm gonna have to teach you something.  
Something.  
Something.  
Something.

My heart is yours it's yours for the taking.  
Hush baby just fall back to sleep.  
I'm breaking in, breaking into your dreams.  
Gonna make you fall back in love with me.  
Back in love with me.

And your dreams are finished wrestling,  
And I've proven baby I'm still all you'll see.  
So watch out for me darling.  
Cause I'm coming for you baby.  
For you.  
For you.  
For you.

My heart is yours, it's yours for the taking,  
Hush baby just fall back to sleep.  
I'm breaking in, breaking into your dreams.  
Gonna make you fall back in love with me.  
Back in love with me.

My heart is yours, it's yours for the taking.  
Hush baby just fall back to sleep.  
I'm breaking in, breaking into your dreams.  
Gonna make you fall back in love with me.  
With me.  
With me.  
With me.
