Bright lights in the sky  
Are the only thing I see  
And I know I have been reckless  
But it's just because I'm helpless

You see cuz lately I've been thinking of you a lot  
I've been thinking of your eyes  
On our acquainted night  
And "Can I keep you?" was the first question I bought  
On that November night  
On that November night

And your eyes have blinded me  
For I can only see you and your beauty  
And all has vanished in this world surrounding  
And there's only you and me

You see cuz lately I've been thinking of you a lot  
I've been thinking of your eyes  
On our acquainted night  
And "Can I keep you?" was the first question I bought  
On that November night  
On that November night

No more thoughtless nights  
No more thoughtless nights  
I'm begging you  
Oh pretty please  
Can you keep me?
