

November Blessing "Thank You Angel"

I've had this feeling for a while
I've built this armor so thick I can't smile
My heart's still beating
No tears from my eyes to the broken tile that you left
me
The broken tile
But please tell me

Tell me, tell me, tell me, tell me
Why my heart's still beating
Tell me, tell me, tell me, tell me
Why I'm still breathing.

I've had this feeling for a while
I've built this armor so thick I can't smile
My heart's still beating
No tears from my eyes to the broken tile that you left
me
The broken tile
But please tell me

Tell me, tell me, tell me, tell me
Why my heart's still beating
Tell me, tell me, tell me, tell me
Why I'm still breathing

Just tell me why I can't feel a thing
Tell me why I'm not afraid to die
Show me that I still have a heart
Oh my god, my vision starts to blur tonight
I'm breathing deeply and I start to cry

I haven't had this feeling in a while
My armor's down and you have made me smile
Then I start bleeding
These tears from my eyes to the bright white tile
On heaven's floor
Well, thank you angel 'cuz I have feelings

Tell me, tell me, tell me, tell me
How I lived without you
Tell me, tell me, tell me, tell me

That you love me too
Just tell me that you love me too
'Cuz angel, I love you
