So when it sinks into your blood
And your eyes begin to flood
With tears from thinking of the ones we used to love
And as it sinks into your blood
And your eyes begin to flood
With tears from thinking of the ones we used to love

Ohh, whoa-oh
And as the flames grew stronger
So did I, so I
I feel fear no longer
'Cuz we all die but not tonight
'Cuz we all die but not tonight
'Cuz we all die but not tonight

And do you feel it running down your spine
That fear, it once was mine
Now it's gone and I've never seen life shine so bright

Ohh, whoa-oh
And as the flames grew stronger
So did I, so I
I feel fear no longer
'Cuz we all die but not tonight
'Cuz we all die but not tonight
'Cuz we all die but not tonight
'Cuz we all die but not tonight

Ohh, whoa-oh
And as the flames grew stronger
So did I, so I
I feel fear no longer
'Cuz we all die but not tonight
'Cuz we all die but not tonight
'Cuz we all die but not tonight
