I don't know what it is
That all the girls see in you
They say you're everything
That I could ever want
Not true

I ain't really into
The egotistic type
Despite what all the girls say
I don't believe the hype

Now I know what you're thinkin'
A word that ends in "x"
Your mother should have taught you
To show some more respect

I hate to be the one
To ruin all your fun
You really ain't that
Cute
[You ain't that cute, you ain't that cute, no]

I wish you'd understand
I've never been a fan
You really ain't that
Cute
kiss

You try to get to me
With a very, very tired rap
Just face reality
Or else you're gonna get a slap

You're starting to annoy me
Who do you think you are
You want to take me out
But you don't even have a car

You really are conceited
You swear that you're the best
But don't you even feel it

To me, you're just a pest

I hate to be the one
To ruin all your fun
You really ain't that
Cute
[You ain't that cute, you ain't that cute, no]

I wish you'd understand
I've never been a fan
You really ain't that
Cute
kiss

I hate to bring you down
But, baby, you're a clown
You really ain't that
Cute
[You ain't that cute, you ain't that cute, no]

Don't mean to rock your world
Forget this cover girl
You really ain't that
Cute
kiss

[You ain't that cute, you ain't that cute, no]
[You ain't that cute, you ain't that cute, no]

I hate to be the one
To ruin all your fun
You really ain't that
Cute
[You ain't that cute, you ain't that cute, no]

I wish you'd understand
I've never been a fan
You really ain't that
Cute

I hate to bring you down
But, baby, you're a clown
You really ain't that

Don't mean to rock your world
