I can't believe I could not see
through the mirror of your smile
my first mistake was to give in
so blinded for a while
I thought there was truth
I feel so out of touch (feel so out of touch)
I can't believe it's so hard to go

One Night Affair
can't go spend the night
one night affair
one night affair
feelings in my heart
one night affair.

I won tonight
should've had doubts
so now I feel just like a child
it's understood I can play too
that's why I'll never lose my smile
and now it's the time we have to say goodbye
(time to say goodbye)
I should've known right from the start

One Night Affair
can't go spend the night
one night affair
one night affair
feelings in my heart
one night affair

and now it's the time we have to say goodbye
(time to say goodbye)
I should've known right from the start

One Night Affair
can't go spend the night
one night affair
one night affair
feelings in my heart
one night affair

you know i can't believe
I should've known.
