Take me to your river, baby, take me to your sea
Purify my soul an' pour your ocean over me
Lead me to your chamber, where you sleep at night
Scratch your name across my back, make me feel
alright
You're the best time I have ever had
You look so good, oh babe, you must be bad
Diamonds on your ankles, sapphires on your shoes
Your little gems of wisdom chase away my blues
Mama's little princess, daddy's pride and joy
I'm like a kid at Christmas, playing with your toys
You shake me in the morning, I wake up black an' blue
Ooh child, you act so wild, I'll name a hurricane after
you
Scarlet fever kisses, little miss Dynamite
Youngblood, you look so good, I'm gonna leave on all
the lights
So I can see where I'm goin', baby
(Solo)
So take me to your river, baby, take me to your sea
Purify my soul an' pour your ocean over me
Lead me to your chamber, where you sleep at night
Scratch your name across my back, make me feel
alright
I have never felt this good before
If you want I'll sleep outside your door
You're the best time I have ever had
You look so good, oh babe, you must be bad
You must be bad
