You're looking at me
You got me asking what are you waiting on?
I'm on the floor
You can't ignore
I'm hot, one more you want?

When the bassline hips start to intight
I got you on my mind
When the snapbacks children down my spine
You're tempting me tonight

(Chorus)

She la la la la la
Boom boom she lay
Boy I really really wanna know your name
She la la la la la
Boom boom she la
It would be nice if I could get to know ya
She la la la la la
Boom boom she lay
Boy I know you really really wanna play
She la la la la la
Boom boom she la
It would be nice if I could get to know ya

(T-ray)

You got this fire
That I just can't deny
Your body magic
Girl your blowing my mind
Right in this moment it is just you and I
Want to last forever, baby
You got this fire
That I just can't deny
Your body magic
Girl your blowing my mind
Right in this moment it is just you and I
Want to last forever, baby

(Chorus)

She la la la la la
Boom boom she lay

Boy I really really wanna know your name
She la la la la la
Boom boom she la
It would be nice if I could get to know ya
She la la la la la
Boom boom she lay
Boy I know you really really wanna play
She la la la la la
Boom boom she la
It would be nice if I could get to know ya
She la la la la la
Boom boom she lay
Boy I really really wanna know your name
She la la la la la
Boom boom she la
It would be nice if I could get to know ya

Cause I, I can't wait too long
Oh boy you got me strong
She la la la la la
Boom boom she lay
She la la la la la
Boom boom she lay
She la la la la la
Boom boom she lay (oooh baby)
She la la la la la (with you, with you, no)
Boom boom she lay
She la la la la la
Boom boom she lay
(Come on over here, come on over here)
She la la la la la
Boom boom she la
(Ooooh, baby)
