Hee hee hee hee  
Twist

Ahh, we're back

Come on, baby  
Let's do the Twist  
Come on, baby  
Let's do the Twist

Take me by my little hand  
And go like this

The party was packed  
I'm talking back to back  
There was a rapper that was rapping  
To a beat that was wack

They was going through the motions  
Out on the dance floor  
And when the rapper was done  
They wasn't yelling encore

The people were tired  
Of the same old groove  
They wanted something def  
Something new and improved

Something easy to do  
But hard to resist  
I got something for y'all  
What do you call it  
The Twist

Come on, baby  
Let's do the twist  
Chubby Checker  
And The Fat Boys  
We're doing the Twist

Take us by our little hand

And go like this

We, we, we broke into the booth  
And the record stacks  
Came up with the Twist  
And we were scratching the track

People started jamming hard  
To the funky sound  
Did the Twist down and up  
Then up and down

Then I heard somebody yell  
Yo, Chubby's here  
The people took a little pause  
Just to stop and stare

He said, I'll show you people  
How to Twist with style  
Cause I've been doing The Twist  
For a long, long while

Oh, you should see  
Prince Markie Dee  
Check out that Kool Rock  
He's rocking like me

Here comes B-Beat Box  
Come on, do it, Buffy

Come on, baby  
Come, come, come  
Come, come on, baby

Do, do, do, do the Twist  
Do, do, do, do the Twist

Come on, baby  
Let's do the twist  
Chub and the Fat Boys  
We're doing the Twist

Take the world by the hand  
And do the Twist

Chubby took my sister  
Down to the dance floor  
Did the Twist so def  
The crowd yelled for more

So I Ponyed with my mother

Did the Fly with my goil  
And when Buff did the Limbo  
We was rocking the world

Come on, baby  
Let's do the twist  
Chubby Checkers  
And The Fat Boys  
We're doing the Twist

Take the world by the hand  
And go like this

Hey, the West coast  
And on the East coast  
And in the South  
And in the North

And all over the world  
What time is it

Come on, baby  
(Twist to the left  
Twist to the right)  
Let's do the Twist  
(Twist up and down  
Twist all night)

Chubby Checker  
(Come on, come on)  
And the Fat Boys  
(Come on, come on)  
Come on, come on)  
We're doing The Twist

(Come on, come on, come on)  
Take us by our little hands  
And go like this

Oh, yeah, and do the Twist  
Yeah, just like me  
Ooh, yeah, and do the Twist  
Oh, yeah
