"Whisper A Prayer For The Dying"

I hear the sound of distant thunder, echo all around
I see the tragedy of young ones lying on the ground
I see the fathers' sons and daughters, I hear the
mothers crying
Nothing left for me to do, but whisper a prayer for the
dying
Oh, a prayer for the dying
The suffocating heat of jungles, and burning desert
sands
Where everything reminds you, you're a stranger in a
strange land
The soothing words of politicians, those bodyguards of
lies
While guardian angels waste their time and every
mother cries
Oh, a prayer for the dying, dying, dying
Machine gun, battle cry, you pray to God when the
bullets fly
The bombs fall like black rain, an' all your dreams take
you home again
Nothing but bad dreams
You can't read, you can't write, you're so scared, you
can't sleep at night
You try to carry the heavy load, walking down
Armageddon road
Oh Armageddon road
(Solo)
I hear the sound of distant thunder, echo all around
I see the tragedy of young ones lying on the ground
I see the fathers' sons and daughters, I hear the
mothers crying
Nothing left for me to do, but whisper a prayer for the
dying
Oh, a prayer for the dying, dying
Oh, a prayer for the dying, baby, baby
Oh, a prayer for the dying, dying, whisper a prayer for
the dying
You can't run, you can't hide, you can't show what you
feel inside
You're going crazy, going insane, you know you'll
never be the same again

No, no
Whisper a prayer for the dying, dying, dying, dying,
dying, no, no
Armageddon road, Armageddon road, I'm walking
down Armageddon road
