Ah, ah, aw  
Ah, ah, aw  
Baby I been on the rocks since you left  
I can feel that burn in my chest  
Didn't realize that you're the best  
'Til you went and put my tings to da left  
Shoulda neva eva did you dirty  
With them other girls acting flirty  
I guess I liked the attention  
Shoulda learned to count my blessings

Oh, woah, oh oh  
One time for yesterdays, hey  
Oh, woah, oh oh  
Two times for the one that got away  
Oh, woah, oh oh  
Three times for never letting go, letting go, letting go  
Oh no no no no

You crashed all we had  
Looking at the wrongside, oh  
We can't start again  
Ya never gonna fix this, no  
So, oh oh, mistaken  
Oh, oh oh, you're shaken  
When you had, when you had, when you had it  
You, were looking at the wrongside, oh  
Ay ay ay ow  
You, were looking at the wrongside  
Ay ay ay ow  
You, were looking at the wrongside

Did you get those flowers on your porch?  
And the letter that I sent long ago?  
Doesn't sorry ever mean a thing?  
When I call you just let it ring  
Girl I saw you at the club last night  
You were givin' me dem stink stink eyes  
Got a grown boy begging  
Promised you I learned my lesson

Oh, woah, oh oh

One time for yesterdays, hey  
Oh, woah, oh oh  
Two times for the one that got away  
Oh, woah, oh oh  
Three times for never letting go, letting go, letting go  
Oh no no no no

You crashed all we had  
Looking at the wrongside, oh  
We can't start again  
Ya never gonna fix this, no  
So, oh oh, mistaken  
Oh, oh oh, you're shaken  
When you had, when you had, when you had it  
You, were looking at the wrongside, oh  
Ay ay ay ow  
You, were looking at the wrongside  
Ay ay ay ow  
You, were looking at the wrongside

I hope ya like the taste of ya dirt  
You seem to like it when ya kissin' her  
By the way, I got ya letter  
Tossed that thing in the shredder, yow  
And the flowers that ya left on my porch?  
Set them on fire with a blow torch  
I ain't even gonna miss ya, no  
I ain't even gonna miss ya, no, oh, oh oh

You crashed all we had  
Looking at the wrongside, oh  
We can't start again  
Ya never gonna fix this, no  
So, oh oh, mistaken  
Oh, oh oh, you're shaken  
When you had, when you had, when you had it  
You, were looking at the wrongside, oh  
Ay ay ay ow  
You, were looking at the wrongside  
Ay ay ay ow  
You, were looking at the wrongside  
Ay ay ay ow  
You, were looking at the wrongside  
Ay ay ay ow  
You, were looking at the wrongside
