Now I've been tearing down these paper walls  
Then it hits me like a wrecking ball  
Should I like this, can I have that  
You abuse me like I'm anyone

Come on dissect me with your tongue  
Should I like this, can I have that

How can I see myself when I am falling down  
Why do I keep on losing

I love you, I hate you, I break you  
I lose you, I find you, I shake you to the core  
Whatever the reason, it's you I believe in  
I love you, I hate you, I break you

Why do we bleed each other just for fun  
Can someone tell me when we're done  
Should I like this, can I have that  
'Cause we're tearing down these paper walls  
Our silent screams show it all  
Do we need this, can we have that

How can I see myself, when I am falling down (When I  
am falling down)  
Why do I keep on losing

I love you, I hate you, I break you  
I lose you, I find you, I shake you to the core  
Whatever the reason, it's you I believe in  
I love you, I hate you, I break you

When will you be mine  
Another place, another time

When will you be mine  
Another place, another time

When will you be mine  
Another place, another time

I love you, I hate you, I break you  
I lose you, I find you, I shake you to the core  
Whatever the reason, it's you I believe in  
I love you, I hate you, I break you

Whatever the reason, it's you I believe in  
Whatever the reason, it's you I believe in  
Whatever the reason, it's you I believe in
