I do I do I do

I-I-I...

Ooh...

I-I-I...

Ooh...

All the days where we just played  
Back in school, just me and you  
But I can't forget you now  
What am I supposed to do?

We can be more than friends  
Do you know I'm here for you?  
Cause you're so easy to love  
When you smile, the sky turns blue

I do I do I do, do I do love you  
And do you do you do, do you love me too?

I do I do I do, do I do love you  
And do you do you do, do you love me too?

I do I do I do, do I do love you  
And do you do you do, do you love me too?

I do I do I do, do I do love you  
And do you do you do, do you love me too?

I-I-I...

Ooh...

I-I-I...

Ooh...
