For many years you've been my life, I've been thankful  
for our time  
From rainy days to snow filled nights, you've always  
been there for me

And nows the time I say farewell, for I'm leaving this all  
behind me  
To walk away with tears and pride, mourn not the loss,  
honor the memory

For lives I've touched, and those returned, this was  
only a moment in time  
I need you to know before I'm gone, It's always been  
for you

And nows the time I say farewell, for I'm leaving this all  
behind me  
To walk away with tears and pride, mourn not the loss,  
honor the memory

I will miss our days of glory, along with the hardship  
and loss  
It's all been a friend to me, in the end, this reflection I'll  
embrace

And nows the time I say farewell, for I'm leaving this all  
behind me  
To walk away with tears and pride, mourn not the loss,  
honor the memory
