Never got love from a government man
Heading down the stream till the levee gives in
What can I do to get the money
We ain't go the money, we ain't gettin' out
Heading down the stream till the levee gives in
And my dreams are wearin' thin
All I need's relief
I need I need some sympathy
So help me

Look at me
I just can't believe
What they've done to me
We could never get free
I just wanna be
Look at me
I just can't believe
What they've done to me
We could never get free
I just wanna be
I just wanna dream
All of my life been wadin in
Water so deep now we got to swim
Wonder will it ever end
How long how long till we have a friend
Comin' down, feelin' like a battery hen
Waves won't break till the tide comes in
What will I do in the sunrise
What will I do without my dreams
Look at me
I just can't believe
What they've done to me
We could never get free
I just wanna be
Look at me
I just can't believe
What they've done to me
We could never get free
I just wanna be
I just wanna dream
We're all together in the same boat
I know you, you know me

Baby, you know me
WeÂ're all together in the same boat
I know you, you know me
Baby, you know me
WeÂ're all together in the same boat
I know you, you know me
Baby, you know me
I just wanna dream
